

# RENTER Pool Registration Form

Dear Homeowner,

Please fill out the following information about your renters so that we can ensure they are properly registered at the pool this summer. **Even if they've registered at the pool before, this form must be filled out each year as the accounts are de-activated at the end of the season.**

**If previously registered at the pool:** we will simply re-activate their account once we receive this form and your dues payment.

**If they have not registered before:** your dues payment and this form must be received by management *before* tenants come to the pool to register. Pool registration will take place in May of each year.
